- Rose Clegg is the guest of Miss Florence Treadwell.

- Mr. T. S. PARSONS and family have moved to the new house.

- LUCILLE - Judge Brown was called to preside in a most deplorable case of insanity at McKinney this week. During the building of the Cincinnati Southern, Miss Elizabeth Vinson was sued and won by a secondarily railroad employee, named Gary, who, to gain his ends, went through the form of a marriage with her. With the completion of the road, he left her to sleep, and she has never since heard of him. This worked on her mind to such an extent as to drive her insane, and she has been for many months a crazy woman. She was taken to the Lexington asylum Wednesday.

- FUNDUS - The Board of Trustees of the Stanford Female College, have just concluded some good financiering, while the institution will save \$110 in interest yearly. The debt was \$4,000 at 8 per cent, out by sale of a lot \$125 to Wm. Daugherty. - Mrs. E. T. Deppen, widow of the deceased, was circulating the demands on Court day.

COLLATERAL MATTERS.

FRESH Fish in-morrow (Saturday) at 8. M. Mattingly & Son's.

The crossings in iron are in a fearful condition. Where are the Trustees?

DEFECTIVE JAILER - Mr. T. D. Newland, our obliging jailer, rejoices over the advent of a deputy. Date of arrival, March 4, weight, 165 pounds.

THE continued illness of his wife causes Mr. J. N. Craig to break up his household. See "ad" of the sale of his household and kitchen furniture on the 19th.

A Swiss colony is to be located in Laurel county, along the line of the L. & N. R. R. to be called Bernstadt. Why not call it Bernstadt and be done with it?

WANTS TO BE MINISTER - Col. W. O. Bradley is in Washington making it is said, a personal application for the Mexican Mission. We sincerely trust that he will get it.

NOT THE MAN - Mr. J. H. Bright, of this country, is not the Bright that had a suit with Grimes in Garrard. We make this note to save Mr. Bright a thousand questions a day in regard to it.

SHADE TREES - The example of putting out water maple trees along the sidewalk in front of their residences set by Mr. Polly Atchison and Mr. Wm. Craig will, we hope, be generally followed. Good shade trees add greatly to the beauty as well as the comfort of town.

FAILED - John Mullins, who attempted to kill "Squire" Pike, in Rockcastle county, because he made inquiry into his illegal traffic in whisky, was brought here for safe keeping on Tuesday by Sheriff W. H. Albright and Mr. Joslin. He is one of the handsomest looking rascals we have seen for many a day.

The Champion Flow, the best in the market, at J. R. Warren & Son's.

M. F. EATON, the butcher, has bought out the Portman's and opened out a new line of fresh meats. Give him a call.

ETIENNE WILSON, Jennings and Limber Twig Apples to be found anywhere at 75 cents and \$1.25 per bushel at B. Mattingly & Son's.

TWO SOONER old landmarks are disappearing this week, the old Shands House and the ugly little brick on the Court-House Square. We can spare them.

FALL - Rev. V. E. Kirby, of this place, fell from the eaves of a cutter, in Lewisburg, Ky., a few days ago, considerably injuring his shoulder. He is at home now and rapidly recovering.

HOUSE AND LOT - W. G. Hines has sold the old blue house and lot, opposite the Presbyterian Church, to John S. Hughes for \$500, who will build a felicit residence in it the next future.

AN ITEM - Little Lee Parsons said in the other day: "I've got some news for you." "What is it?" we asked. "Why Charley Yates has had his brother Andy arrested for killing the son on him," he replied, evidently proud of rendering us so much assistance in the collection of items.

BRITISH THIS WAY - Forpang, the great circus man, advertises that he will give \$10,000 for the prettiest lady in America to ride with him the summer. He will be in the city Saturday evening, April 15, to receive applications.

HALE & NUNNELLY are in the way of getting a Railroad Wagon.

LAKE SHORE Wool Irish Pictures, of all kinds, at Hale & Nunnelly's.

FOR THAT Gough us White Pine Syrup, prepared by McRoberts & Stagg.

WALL PAPER, latest styles and a large stock, cheap at McRoberts & Stagg's.

RODEN-HOUSE AND ESTATE SHOPS - Our Richmond Junction correspondent telegraphs the probability of the erection of a round house, repair shops, and a car building establishment at that point, less than half a mile from our town limits. One people should not allow a single car to slip from their grasp but should offer the best inducements possible to locate the business. The hundreds of hands that the shop will work will spend thousands of dollars yearly with us.

BAD ON THE GOSPEL - What appeared likely within the past week to have resulted in a big slander suit in the East end of the county, has we are glad to find, not gone to press, been happily and honorably settled. The whole matter grew out of some absurd mistakes and misapprehensions which have now all been corrected. We are heartily glad, as the affair, in which there was absolutely nothing, would have involved several most respectable families in a trifling and foolish brawl.

SULLIVAN'S CONSTITUTION CURE - This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup, and Bronchitis, while it's wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since it's first discovery in 1850, it has been a guarantee to all who have used it, that it will do what no other medicine will do.

WILLIAM C. GARRARD, of Danville, is to leave for a year for the study of the Presbyterian Church. Thinks nothing like a "big meeting" to start those kind of things.

A COLORED JURY - A sight or two ago Marshal I. M. Bruce was informed that a negro man, named Wm. Burdett, was creating a disturbance in Maxville. He went to the scene, but Burdett had put up his weapon and was looking amazingly innocent. Mr. Bruce claimed the privilege of searching him, however, and he was soon rewarded for his trouble by pulling off his pocket watch. He is to stand trial on the 15th instant.

DR. EDWARD STAGG, a recent graduate of Louisville Medical College, received a letter yesterday, notifying him that he had been elected Resident Assistant Physician at the City Hospital, Louisville, worthily.
